Identity Statement

This document describes the cryptographic identity of **John Verbiest**.

I use OpenPGP keys to sign code, documents, and statements under my name.

Identity

Name: John Verbiest
Primary email: john@johnverbiest.be

I assert that I control the OpenPGP key whose fingerprint is listed below.

OpenPGP Key

Key fingerprint:

```
E3FF2C5FE713C7DCA36C900993DE6C09D1FDC17C
```

Verification

To verify this statement:

```
gpg --verify identity.md.asc identity.md
```

A valid signature confirms that this document was authored by the holder of the above key.

Signed, John Verbiest
